Opportunities in the arts	Good	No Change	Good	Good
SACS accreditation	Yes	No Change	Yes	Yes
Parents attending conferences	100.0%	No Change	100.0%	100.0%
Character development program	Good	No Change	Excellent	Excellent
Dollars spent per pupil**	\$6,177	Down 3.5%	\$7,148	\$7,364
Percent of expenditures for instruction**	73.0%	Down from 75.8%	69.0%	68.0%
Percent of expenditures for teacher salaries**	72.0%	Down from 75.0%	66.0%	66.0%
ESEA composite index score	69.1	Down from 90.2	90.3	88.0

* Length of contract = 185+ days.

** Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	39	81	44
Percent satisfied with learning environment	100%	93.8%	93.2%
Percent satisfied with social and physical environment	100%	95%	93.7%
Percent satisfied with school-home relations	97.3%	92.8%	93.6%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Richmond Drive Elementary equips students with the skills, character and experiences in order to positively impact the world. Teachers worked on a daily basis to tailor instruction to meet students' needs. Students read leveled texts at their ability levels. During the summer, sixty students were provided books at their reading levels and 98 percent of them maintained their progress from the end of the school year to the beginning. Teachers gave students inquiry-based problems in math which provided more relevant learning and problem solving. In addition, struggling students in math were pulled during their computer lab time for additional help. Every child received daily instruction in Spanish in an immersion fashion. On a weekly basis, Ms. Su taught a lesson during related arts time on Chinese Language and Culture. In kindergarten, two classes of children participated in the partial immersion program. These fifty students learned all of their math and science while being immersed in Spanish. Teachers exposed all children to using iPads and Mrs. Giles' class piloted a Challenge Based Learning format where all students had an iPad they used every day. Richmond Drive is proud of their Science Bowl Team who won the District Science Bowl. The school also finished third place in the Battle of the Books Competition. Students and teachers worked hard to prepare for these contests and are to be commended for their effort.

Richmond Drive focused on the character of students in many ways. Each month, students were recognized in the Terrific Kids program for exemplifying one of the core beliefs of the school. Each child demonstrated one way he or she made a difference in another person's life. As a result, he or she could sign the Difference Maker Wall and receive a Difference Maker t-shirt. Stories were highlighted each week how students and families made a difference. A photo display was made to show examples of student and faculty volunteerism. Every day children told stories how they made a difference. Students, parents, and faculty members donated \$4700 to Charity Water to help address the worldwide problem of lack of clean water. Children enjoyed many positive experiences which made a difference in them as well. Students went on field trips to zoos, farms, and museums. Fourth graders went on an overnight trip to Camp Thunderbird. Fifth graders visited the Velodrome and Riverwalk and some learned to ride a bike for the first time. Many grade levels walked to local restaurants and parks to celebrate student achievements. Students traveled to Charlotte, Columbia and Charleston in addition to Brattonsville and the Carroll School. Third and fifth graders experienced environmental lessons at Camp Cherokee and fourth graders learned to swim at the Natatorium. All students were provided experiences that gave them a wider perspective and increased their confidence.

Sheri Perez-Segura, SIC Chair
